

ABERDEEN CITY COUNCIL - DENSEAT COURT

Residents of Densat Court in Aberdeen were treated to tea and cakes as a thank you for their co-operation during recent works to replace kitchens and bathrooms in the sheltered housing complex.

Sidey are currently carrying out a large kitchen and bathroom replacement programme with Aberdeen City Council, as part of the Council's efforts to meet the Scottish Housing Quality standard by 2015.

Pam Turner, Duty Warden at Densat Court commented: "The resident's new kitchens and bathrooms look great. The workmen were very helpful and made the resident's feel comfortable and safe. They were extremely patient and went out their way to make everything run smoothly. The kitchens and bathrooms have also helped the residents on a social and physical level."

Pam continued: "Today's event is a great opportunity for the residents to socialise and they were especially looking forward to the raffle for the hamper of goodies that Sidey provided."

David Brownlie, Sidey's Commercial Sales Manager commented: We are delighted that the new kitchens and bathrooms have made a difference to the lives of the Residents at Densat Court. They really were patient and helpful during our works and we wanted to say a small thank you for their co-operation.
