

INCREDIBLE EDIBLE, NEILSTON

Connected Communities

Incredible Edible is a national network creating kind, confident and connected communities through the power of food. Ordinary people can transform their own landscapes, turning disused plots into abundant sources of healthy food where local residents are encouraged to take what they need.

Lorna Wallace at **East Renfrewshire Council** introduced Sidey to Cat Train, Chair of Incredible Edible Neilston, who shared the positive impact the project has had on their local community and desire to expand the gardens to reach more people.

That inclusive, 'people first' approach to growth resonated with Sidey's core values, therefore we were delighted to donate £1,000 to support an abundant harvest for the people of Neilston.
