

LOCAL HERO - WASTE INTO WANT

Community Benefits Case Study
Falkirk Council | Forth Valley

Local hero, Malcolm Finlayson, has been busy turning muck into brass, raising £1,350 for Strathcarron Hospice in the process.

Sidey donated waste material to retired engineer Malcolm, with which he crafted beautiful planters. These items were made available to members of the local community in exchange for a donation to a very deserving cause and one of the charities that Sidey support.

Strathcarron Hospice provides expert end of life care for the people of Forth Valley, Cumbernauld and Kilsyth, and is actively involved in palliative care research and education.

We think Malcolm is amazing and celebrate his philanthropy!
