

# LINSTONE HOUSING ASSOCIATION

Linstone Housing Association | Renfrewshire

Dolly Parton's Imagination Library is a book gifting programme devoted to inspiring a love of reading in the hearts of children everywhere.

Each month, over 40,000 high quality, age appropriate books are posted to children living in communities across the UK, addressed to them, at no cost to the child's family.

Linstone Housing Association are a local affiliate of the scheme, with their Rachael Scott working hard behind the scenes to make that special moment possible for children of Linstone tenants.

Sidey are proud to provide financial support, in line with our community benefits agenda of Raising Attainment Levels for our Young People. Our donation of £500 is equivalent to providing a year of books for twenty children.
