

STIRLING COUNCIL - SAMPLE SESSION

Developing the Young Workforce
Stirling Council | Forth Valley

A Sidey Sample Session introduces young people to our corner of the construction industry, fenestration, and the skills needed to succeed!

In September '22 our Community Benefits Manager hosted a group of S4 pupils from the Stirling Inclusion Support Service within Fallin Church Hall. We talked about roles they might apply for when leaving education, what employers are looking for, what stands out on an application form and how to behave in an interview. At a nearby installation in progress, our Site Manager described a day in the life of a window installer and pupils observed, first hand, the tasks involved.

Afterwards, the group enjoyed a delicious lunch catered by Christine's Kitchen; Sidey always seek to support small local businesses.
